David Reitblatt

Appearance: Medium dark wrapper, decent veins without being toothy.

9

Construction: Well constructed. My only complaint would be a couple of cracks at the foot.

8

Draw & Burn: A firm draw but not plugged. Even burn with good ash but the ash did not hold long. Not a lot of smoke generated but there was had a nice light aroma. Smoke increased nicely later on into the cigar.

8.7

Flavor & Strength: Smooth medium smoke. Did not get tarry and strength & taste progressed nicely.

8.7

Final Impression: Nice stick. Good taste, stayed lit and burned even. Would buy once I know what it is.

Appearance: Good aroma, easy cut, unusual wrapper, tasty (before lit). Feels good in the hand.

7.3

Construction: Smooth, tight & firm. A good solid cigar. Ash gets long & stays tight & does fall apart.

8.4

Draw & Burn: Nice even draw. Easy light, stays lit & no canoing. Burns smooth & even. Stays cool. I would recommend a

cut instead of a punch for this cigar.

7.5

Flavor & Strength: Medium strength, but just almost mild. Not a strong flavor & very hard to describe but good & "cool". It stayed flavorful & had no tar build up and no bits & pieces.

7

Final Impression: A good afternoon cigar. I would pay up to \$8 for this cigar. It burned for over an hour & had a nice chewable butt. Good cigar!

Appearance: Nice veins but the binder appeared to be a nice wrap but sectioned off oddly. I will see if this effects the cap, burn/draw. Overall not impressive.

9.5

Construction: When I initially put it in my mouth I heard a "crack", but it had no effect on the draw.

9

Draw & Burn: Very easy draw & even straight burn. I was impressed with the burn throughout the smoke.

9.5

Flavor & Strength: Medium strength smoke-great mid day smoke. Flavor leans toward roasted wood / coffee.

8.5

Final Impression: I would definitely purchase this cigar. I enjoyed smoking it. It burned well & very even right down to the last 1". I did not get a strong overpowering flavor & was pleased that I did not have to relit it.

Andrew Glueck

Appearance: Nicely Wrapped. Tight, & color unremarkable.
7.5

Construction: Nice definition & evident veins.3
6

Draw & Burn: Draw is slow & the burn ia adequate to the length & ring gauge.
8

Flavor & Strength: Sdry flavor & a medium bodied cigar. A hint of chemical blended with a oak barrel taste. After taste consistant with mildew.
5.9

Final Impression: Nice smoking cigar for medium robusto smoker. Aftertaste not condusive with the draw and leaves your pallet dry & stinky. In regards to the flavor it was like smoking a match stick.
